

In 30 years, white nationalist Jefferson Beauregard “Jeff” Sessions III has not evolved.

In his opening statement during the 1986 federal judgeship confirmation hearings, Senator Edward M. Kennedy called Sessions “**a throwback to a shameful era.**”

In February 2016, far-right ideologue Steve Bannon called Sessions “one of the intellectual, moral leaders of this populist, nationalist movement in this country.”

They are both correct.
